Excerpt: Magic realism or magical realism is an aesthetic style or genre of fiction in which magical elements blend with the real world. The story explains these magical elements as real occurrences, presented in a straightforward manner that places the 'real' and the 'fantastic' in the same stream of thought. It is a film, literary and visual art...

### Reviews

*This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.*

-- **Mr. Grant Stanton PhD**

*A whole new eBook with an all new standpoint. It is actually rally fascinating throug reading through time period. You wont truly feel monotony at anytime of your own time (that's what catalogues are for relating to when you request me).*

-- **Claire Bartell**
