CHAPTER II LAWS OR PRINCIPLES OF SCIENTIFIC MANAGEMENT Time Study What is the fundamental of Scientific Management? The great fundamental of Scientific Management is time study. On time study hangs the entire plan of the Taylor system of management. The apparently simple art of time study is in reality a great invention, for, previous to Taylor s discovery of it, there was no practical way of predetermining or prophesying accurately the amount of work that a man could do before he actually commenced to do it. Any plan of management that does not include Taylor s plan of time study cannot be considered as highly efficient. We have never seen a case in our work where time study and analysis did not result in more than doubling the output of the worker. The greatest need to-day, as Dr. Taylor has already pointed out,...
