Mira Books, United States, 2015. Paperback. Book Condition: New. 178 x 102 mm. Language: English . Brand New Book. Where is Lara Mayhew? Lara, a congressman s media assistant, suddenly quits her job--and disappears on the way to her Washington, DC, apartment. Novice FBI agent Meg Murray, a childhood friend of Lara s, gets a message from her that same night, a message that says she s disillusioned and going home. To Richmond, Virginia. Meg discovers that she never got there. And bodies fitting Lara s description are showing up in nearby rivers. Could she be the victim of a serial killer? Meg is assigned to work with special agent Matt Bosworth, a hard-nosed pro in the FBI s unit of paranormal investigators--the Krewe of Hunters. They trace the route Meg and Lara took more than once in the past, visiting battlefields and graveyards from Harpers Ferry to Gettysburg. Places where the dead share their secrets with those who can hear. As Meg and Matt pursue the possibility of a serial killer, they find themselves in the middle of a political conspiracy. Is there a connection? If so, has Lara been silenced for good? And whom--besides each other--can they trust?.
