

The Survival Guide for Kids with Autism Spectrum Disorders : And Their Parents

Filesize: 6.05 MB

Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.
(Dr. Kayden Gerlach)

THE SURVIVAL GUIDE FOR KIDS WITH AUTISM SPECTRUM DISORDERS : AND THEIR PARENTS

Free Spirit Publishing, 2012. Softcover. Book Condition: New. This positive, straightforward book offers kids with autism spectrum disorders (ASD) their own comprehensive resource for both understanding their condition and finding tools to cope with the challenges they face every day. Some children with ASD are gifted; others struggle academically. Some are more introverted, while others try to be social. Some get ?stuck? on things, have limited interests, or experience repeated motor movements like flapping or pacing (?stims?). The Survival Guide for Kids with Autism Spectrum Disorders covers all of these areas, with an emphasis on helping children gain new self-understanding and self-acceptance. Meant to be read with a parent, the book addresses questions (?What is ASD?? ?Why me??) and provides strategies for communicating, making and keeping friends, and succeeding in school. Body and brain basics highlight symptom management, exercise, diet, hygiene, relaxation, sleep, and toileting. Emphasis is placed on helping kids handle intense emotions and behaviors and get support from family and their team of helpers when needed. The book includes stories from real kids, fact boxes, helpful checklists, and resources. Sections for parents offer additional information. ?This book is designed to be a resource for the entire ?team of helpers? rooting for every child trying to reach [his or her] full potential, including parents, teachers, friends, and support staff. The overarching tone is one of openness, making no social or physical facet of ASD taboo. Real problems are answered with real solutions shared by kids. Interesting anecdotes and cartoon illustrations are presented alongside invaluable tools . . . [T]he authors lay a strong foundation in giving kids the ultimate skill of self-advocacy.??Booklist ?Filled with useful, accessible advice; appealingly colorful, and jauntily illustrated, The Survival Guide for Kids with Autism Spectrum Disorders should be one of the first books a...
