

## Teaching Our Children to Read: The Components of an Effective, Comprehensive Reading Program

By Bill Honig

Skyhorse Publishing. Paperback. Book Condition: new. BRAND NEW, Teaching Our Children to Read: The Components of an Effective, Comprehensive Reading Program, Bill Honig, Studies of effective teaching practices have continued to validate the need for explicit and systematic instruction in basic reading skills, and Bill Honig uses this research to shed new light on an old problem--how to help all students become fluent readers. Teaching Our Children to Read grows out of the experiences of scores of dedicated teachers and their success in the classroom. This book explores current research from the leading experts in the field, and presents new instructional strategies that bring all students to higher levels of literacy. Highlights from Teaching Our Children to Read include: Phonics instruction and fluency Connected practice with decodable text Multisyllabic word instruction Spelling, vocabulary, and concept development Strategic reading, book discussions, and text organization Literacy benchmarks, assessment, and intervention This is an essential resource for educators, administrators, policymakers, and parents concerned about how to successfully teach our children to read. Teaching Our Children to Read points the way to implementing the best research-based practices in adopting reading materials, training teachers, and providing the necessary school leadership.
