Excerpt from Ave Roma Immortalis: Studies From the Chronicles of Rome The story of Rome is the most splendid romance in all history. A few shepherds tend their flocks among volcanic hills, listening by day and night to the awful warnings of the subterranean voice, - born in danger, reared in peril, living their lives under perpetual menace of destruction, from generation to generation. Then, at last, the deep voice swells to thunder, roaring up from the earth's heart, the lightning shoots madly round the mountain top, the ground rocks, and the air is darkened with ashes. The moment has come. One man is a leader, but not all will follow him. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
