Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Truly a SOCIALLY THOUGHT PROVOKING EXPERIENCE! A Profound Pen Destine to be a million copy record breaker! Provocative expressions meant to intrigue. Touch the Third Rails of Life and have a Laugh; Politics, Religion, Love and Sexuality! Poetry and Prose written without malice, but with humble candor, to hopefully have people laugh at themselves and some of the hypocritical ways they as human beings live their lives. The author loves his Slightly Obtuse Sense of Humor, because he has never walked on water and loves self deprecating humor, it s always kept him grounded (it s an inherent Midwestern thing). Expressions of a Free Spirit that relishes diversity and knows he, walks the talk when socializing and does not have a hidden agenda. If your coming from the Far Right or the Far Left be warned, some of the poetry and verse just might twist your mind. Free Speech without being Civilly Disobedient, for the love of one of the greatest countries in the world, with All Blessings to the People of the World. Some funny irreverence towards perceptions of modern day Romantic Love and the social misinterpretation of the game, Winning was never the intent of what s not a game. Buy this book, it s the Cheapest Therapy on Earth. Something for every adult that has a positive outlook with an appreciation for sarcastic humor. Oh, Yeah, there s some really good traditional poetry in there also! All the above descriptions are written by the author, with a humoristic insight to the book and contents. A Sincere Humble Thank you from the author.
