DR. DETHNELL: POST MORTEM SPECIALIST

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is fiction. It depicts the funny behavior, attitudes and actions of individual who was pushed into the medical profession by an unusual combination of circumstances. Scared by the rigors of genuine medical practice after considering several alternatives of quick money making the man who occupied the center stage of the story decides to take up the profession as a Post Mortem Specialist (PMS). This is considered to be the safest profession free from any controversy but with guaranteed income. The spicy behaviors of this man who had a unique name of Dethnell displayed unusual ignorance of the usage of the English Language and had a sense of humor which erupted spontaneously and often without his awareness. The contents provide a rich source of laughter and a means of stress relief. This is the best part of his contribution. Through his follies he could sow seeds of laughter to all those who came into contact with him and win their good will.
