Classic Papers in Horticultural Science

By -

The Blackburn Press, United States, 2000. Paperback. Book Condition: New. 269 x 198 mm. Language: English Brand New Book ***** Print on Demand *****.This compilation is an introduction to classic scientific papers in horticulture, originally published in 1989. Each paper chosen concerns some plant or phenomenon and has had an impact on the horticultural scientific tradition or the horticulture industry. Each paper is accompanied by an introductory essay contributed by a prominent horticulturist. These essays place the historic papers in their contemporary setting as well as describe their impact on the future course of horticulture. Each paper has a unique story to tell and many still engender controversy and passion today. Taken together, they underscore the richness and diversity of horticultural science. Part I Propagation and Tissue Culture. Part II Physiology and Culture. Part III Breeding and Genetics.

Reviews

This ebook is definitely not simple to begin on reading but really enjoyable to read through. This really is for all who statte that there had not been a worth reading. You may like how the author publish this ebook.
