Balboa Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.If you are an average American, the majority of what you put into your mind and body each day is causing you to become acidic. Most Americans are acidic and do not know it until it strikes in the form of conditions such as Heart disease, Arthritis, Gastro problems or Cancer. This small book reveals causes and the remedies for the acidic condition. Our Health-Care system is a system based on treating the effects of illness, not the causes of illness. The Author shares his journey along with the solutions he found to regaining his own health. This book is for anyone who is ready to move from illness to wellness. This book is for people who like the Author have decided to take 100 responsibility for their health and understand that addressing the cause of illness is the answer, not treating the effects or symptoms. Let this book be your first step in stopping the spiral downward of your health to that of feeling better every-day. It can be done and you can do it !.
