AUTHORHOUSE, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Does the Future Already Exist? Green Eyes: A Case of Dualism Verses Materialism Did Christ Rise from the Grave? Where science ends and where dualism philosophy begins! Does The Future Already Exist? is an essay I wrote in behalf of my very dear friend and brother in spirit, Professor David Johnson, a traveling professor of philosophy of metaphysics from Princeton who has a theory that the future does already exist and that of the possible paths we may follow it is already known which one we will choose by clairvoyant dream precognition as an example. In Green Eyes: A Case of Dualism Verses Materialism, I challenge materialist philosophers who don't believe that the metaphysical exist to explain a way in materialist / empiricist / atheist terms, a historical / biographical / autobiographical confrontation with a pitch black demonic entity I call Green Eyes. Did Christ Rise from the Grave? is where I do an investigative analysis on the Crucifixion where I state that I believe he did based on the evidence from history, eastern philosophy's seven levels of consciousness, the science of psycho-cybernetics,...
