Brand New Book ***** Print on Demand *****.From the Editors: We preface our ongoing, indepth coverage of the BRICS process now sweeping the world, with a special appeal from Lyndon LaRouche, which may catch you by surprise. What LaRouche is stressing is the uncomfortable truth that, under Obama as President, the United States is a captive nation, under the control of a British imperial policy which is taking us very quickly toward an outright Nazi dictatorship. Already, Americans, especially in Congress, are acting as if a dictatorship were already fully in place. Congressmen refuse to assert their Constitutional obligation to decide on war and peace, even as they admit the President is lying and acting unconstitutionally. They refuse to implement the obvious first step in protecting the nation from another impending financial crash, by enacting a Glass-Steagall law which the population wants, but Obama and Wall Street oppose. If their bodies are not imprisoned, their minds and wills are. Thus our nation is walking down the path to doom, as our stories on Obama s health-care genocide (National) and the Ebola epidemic now sweeping West Africa, (Economics) should make clear. If action is not taken to stop this process now, by the time people decide to resist, a full dictatorship may prevent them from doing so. LaRouche has sounded the alarm, and the action must follow: to oust Obama and his corrupt cronies, like Speaker of the House John Boehner, and turn to the global alliance which is shaping a real future. The hope is that leadership in the U.S. will emerge to link up with that of the BRICS nations, which are expressing a new spirit of the age for human creativity and progress....
