Allen Unwin, Australia, 2009. Paperback. Condition: New. Language: English . Brand New Book. The Bell family s ancestors were showered with honours, gifts and grants of land. In exchange, they have bestowed a Gift, once every 25 years, on the town. The Gifts have ranged from a statue to a bell tower with stained-glass windows, but now it s Darius s father s turn - and there is no money for an impressive gift. It looks as though a wheelbarrow full of vegetables is the best they can do. Darius is determined to preserve the family honour, and when an earthquake reveals a glorious cave, with the most beautiful minerals lining the walls, he thinks he s found the answer. A wonderfully satisfying novel - fun to read, thought-provoking and wise.
