Projects include door stops, a sliding glass door stop, wine bottle stoppers, confetti lights, oil lamps, candlesticks, wine caddies, prep plates and small bowls, hors d oeuvre plates, and plant stands. The book is designed so that as you move through one project you will develop the skill needed for the next. The tools required are clearly described, and most are standard turning tools. Some of these are shown in a beautiful photo gallery that includes variations on the projects in the book. They will encourage the turner to design new projects of their own.
