Createspace, United States, 2015. Paperback. Condition: New. MS Tara Taylor (illustrator). Large Print. Language: English . Brand New Book ***** Print on Demand *****. A memorable tale of two sisters, the older one a stargazer enthusiast with a passion so intense, she is driven to share all she knows about the moon and the planets, and all the star-laden galaxies of the universe with her little sister one night. It is a delightful example of sisterly love, and what the world looks like through a child's imagination. And speaking of lighting up the sky, there is a really special nebula out in the universe called Helix. It looks just like a giant eye! I bet it is God's eye watching over us. See? Aubree turned another page in the book as Kate watched her sister's face. Aubree cupped her hand to Kate's ear and whispered, And He can see ev-er-y-thing!! If The Stars Were Mine, is a story that, long after the initial read, will live happily in your heart forever. For all those who have ever wished upon a star or looked out into the night sky and wondered if someone could be looking back. If The Stars Were Mine is another Life Lessons book from author Sheree Alderman. When you purchase a Life Lessons book, you can feel confident to share it with children of all ages - from 1 to 109! Life Lessons books are wholesome, engaging, and contain positive values. No adult content.
