Taylor Francis Ltd, United Kingdom, 2018. Paperback. Condition: New. 2nd New edition. Language: English . Brand New Book. Chronic Sorrow explores natural grief reactions to losses that are not final and continue to be present in the life of the griever. This second edition updates terminology, pertinent research, and the roles the concept of chronic sorrow has come to play in the nursing, medical, social work, pastoral, and community counseling professions, among others. This text also extends the concept's usefulness to other ongoing losses that are bases for non-ending grief responses, such as serious disabilities. Benefits and social supports are explored in depth, giving readers a practical guide for accessing available resources. Chapters also give guidance for professionals to assist individuals and families who struggle with living with irremovable loss, helping them plan for a future in which customary caregivers can no longer carry the load.
