Brand New Book ***** Print on Demand *****.Sam Dahl - Sophie Meets the Devil Dog is set far in the future when other worlds are populated and space travel is the only life our fourteen-year-old hero has ever known. Sam finds himself trapped on a planet, separated from his parents, and hunted by a villain who thinks Sam is the prophesied downfall of his evil empire. Sam finds friendship in a band of children, ages 11-15. Together they pull off an elaborate plan to escape their captors and to bring justice to the planet. Their skills include the ability to fly spaceships, the use of herbal plants for healing, and the use of electronics and navigational devices. Epic space battles and endearing characters make this book a quick read. These unlikely heroes capture the heart and mind with budding romance, smart science, and quirky attitudes that help conquer the day. Originally written for middle school students, this fast paced thriller is bound to attract the attention of adults as well. Sophie Meets the Devil Dog is the first adventure in the Sam Dahl trilogy. Montague knows how to capture and hold even the most reluctant reader's attention and continues to do so throughout the entire series.
