Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The following manuscript is based on actual events that have taken place over many a year with me. Sharing my little moments in time and learning to laugh at one s self is the best medicine or antidote life can offer. God lives in The Toilet is strictly a metaphor to finding a moment s piece of mind. One day at a time or moment, as I say, can make the difference to us all. I hope you enjoy and laugh from constipation to learning to live all over again with my white fantasy family. You re in for a good ride my friends. Hang on it s gonna get bumpy. Keep in mind that my dialect is part of my style of writing, it brings flavor to the stories. Enjoy a moment s piece. Okay, maybe more like a roll on the floor with me as I take you into my bathroom and share the Good News. God lives in The Toilet will stand out in the open market from a promotional concept; capturing all ages - young and old. Marketing the title is a powerhouse. Grabs one s imagination, and draws them in. The humor that within leads them down a path of moments in time all can relate to and gives the reader a concept of sharing life and all its embarrassing moments with love and laughter.
