CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 30 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. My Alphabet Adventure - ABC Picture Book For Toddlers was intended to help children learn the alphabet. As a childrens book author I really enjoyed creating this Kindle learning book and I hope it will be the first of many. My Alphabet Adventure - ABC Picture Book For Toddlers grew out of a desire to create the type of childrens abc book that can be enjoyed by both parents and children together. Also I felt this ABC book would be a good way to teach the alphabet to children. I want to encourage parents to read to their children. Studies have shown that teaching children the alphabet is an invaluable preschool alphabet activity that will help children to build literacy skills. By teaching children the alphabet with some type of preschool alphabet activities can help children to develop a love of reading. B is a consonant that works well with others Like blender, broccoli, and even your brothers. C is for crocodiles and corn-on-the-cob, And cranes, big machines doing their job. C starts words like crackle and crunch, Just like the sounds when youre eating your lunch.
