## BSAVA Manual of Canine and Feline Dentistry

By -

British Small Animal Veterinary Association, United Kingdom, 2007. Paperback. Book Condition: New. 3rd Revised edition. 292 x 211 mm. Language: English . Brand New Book. Under the guidance of the new editorial team, this new edition has been completely revised and updated. The book has been refocused solely to cats and dogs and reorganized, while retaining the practical approach. The first section covers anatomy and physiology of the oral cavity, diagnostic techniques, anaesthesia and analgesia, and dental instrumentation and equipment. There is also a separate chapter dedicated to operator health and safety considerations. The remainder of the manual focuses on conditions encountered in small animal practice, including developmental abnormalities, fractures and attrition. Inflammatory and infectious disease - stomatitis and periodontitis - are discussed in detail for both cats and dogs. A chapter on surgery details extraction procedures. The manual is illustrated throughout with full-colour photographs as well as retaining the clear procedural diagrams drawn by editor David Crossley.

### Reviews

*This composed ebook is wonderful. It really is written in basic words rather than hard to understand. You may like the way the writer composes this pdf.*  
-- **Ryder Nolan**

*This book can be well worth a go through, and a lot better than other. It is written in simple words and phrases and not confusing. It has been printed in an exceptionally simple way in fact it is merely right after I finished reading through this pdf by which basically changed me, modify the way I think.*
