Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Anatomic Histological Processes of Bright s Disease: And Their Relation to the Functional Changes These lectures were delivered at the request of the Resident Staff of the New York City Hospital in the Russell Sage Institute of Pathology , during the winter semester 1908 to 1909 before an audience of recent graduates and some advanced undergraduates in medicine. My hearers wished to obtain in systematic and connected form the almost daily experience in hospital and pathological institute. They wanted primarily to intelligently understand what they saw at the bedside and at the autopsy table. The lectures deal, therefore, with the morphology of nephritis, and in a somewhat different form from the usual manner. Every-where I have endeavored to particularly emphasize relations and to reconstruct the whole as a unit of interwoven processes, rather than a mere statement of facts. As this method of treatment may not be unwelcome to a wider medical public and, as far as I know, does not exist in English literature, I now publish them practically in the form of...

### Reviews

*This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
