## RACQUETS ROCKS (PAPERBACK)

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. A classic tale of boy meets girl, falls in love with girl, and has his heart broken by said girl. Based on true events from the author s life, Racquets Rocks tells the story of the on-again, off-again romance between Ben and Scarlette, two college kids who love each other but can t seem to make it work. After Ben bumps into Scarlette months after their last encounter, their feelings swell up once again, but will it last this time? Not at all a romance, this novella is a witty look at the effect a broken heart can have on a man told in the first person. A linear story with many asides, cultural references, and back story from Ben, the main character; Racquets Rocks reads like a story being told from one good friend to another.
