Graywolf Press, United States, 2013. Paperback. Book Condition: New. Reprint. 208 x 140 mm. Language: English . Brand New Book. From the author of *City of Bohane*, a debut collection that could easily have been titled *These Are Little Masterpieces* (*The Irish Times*)This award-winning story collection by Kevin Barry summons all the laughter, darkness, and intensity of contemporary Irish life. A pair of fast girls court trouble as they cool their heels on a slow night in a small town. Lonesome hill walkers take to the high reaches in pursuit of a saving embrace. A bewildered man steps off a country bus in search of his identity and a stiff drink. These stories, filled with a grand sense of life s absurdity, form a remarkably sure-footed collection that reads like a modern-day *Dubliners*. The winner of the Rooney Prize for Irish Literature and a 2007 book of the year in *The Irish Times*, the *Sunday Tribune*, and *Metro*, *There Are Little Kingdoms* marks the stunning entrance of a writer who burst onto the literary scene fully formed.
