Approx. 145,500 words. 450 pages. Blood, Brains and Bullets is Book One of the new Blood, Brains and Bullets series by Sean Liebling. It starts on Day One of the Outbreak and continues through the first seven full days after its apocalyptic climax. Jay has started his daily routine as a single father of three, when the news hits of massive deaths- then reanimations-from the vaccine distributed by the government to combat the super-flu virus that has been sweeping the globe. For Jay, it s irritating because it interrupts his normal comedic attempts at nailing every sweet piece of ass in the area. Being a survivalist means he has a lot of stuff , as you can never have too much, and before he can even take shelter in his homemade retreat to ride out the apocalypse, friends start showing up who need his help. Before he knows it, he s forced into the unenviable position of assuming leadership over...
