The last half of the book introduces you to more sophisticated material which prepares you to play with more experienced players. Exercises appear after each new topic so you can ensure that you understand before going on to the next topic. **Experienced Players:** This is your opportunity to learn the current American standard the right way - with real understanding of the various bidding and play guidelines. Each chapter contains more than the basic material. The last seven chapters cover more advanced topics such as cue bids, slam bidding, and related conventions. **Bridge Instructors:** Modern Bridge contains all of the ingredients you need for your class: a great text for your students, sample hands to exercise the topics you just introduced, and lesson plans you can shape to your own style of teaching. Four complete hands with bidding and play commentary (or more appropriate exercises in a few cases) are included at the end of each chapter. Lesson plans for each chapter are available for download. You can use them as they are or modify them to suit your preference.
