

## Spiritual Female Problems (Paperback)

By Moses Nsubuga Sekatawa

Createspace Independent Publishing Platform, 2004. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A young lady came to us for prayer. We will call her Miss P. She had fibroids. She had tumors in her fallopian tubes. She was scheduled for surgery. She complained about a spirit which always molested her during the nights. She hated it but was always overpowered by this monster. Her nights were sleepless, characterized by nightmares. The more we prayed for her the more evident it became that her problems required more than a medical solution. They were spiritual. Unseen persons were talking back to us trying to resist her deliverance. We finally cast those evil spirits out of Miss P after we led her in a prayer of repentance and broke all the evil ties and covenants by which satanic forces clung to her life. This book unveils the secret weapons formed against your life, femininity, marriage and so much more. It is a MUST READ for all single and married ladies; young and old, and for couples believing God for children.
