By Ted Graham

Pearson Education Limited. Paperback. Book Condition: new. BRAND NEW, Revise for Advancing Maths for AQA Mechanics 1 (2nd Revised edition), Ted Graham, Thorough revision for the AQA exams. These brand new revision guides contain all the help, guidance and support students need in the run-up to the 2005 exams, ensuring they achieve the grades they deserve. The familiar format helps to trigger students' memories, making revision easier. Key point summaries at the start of each chapter focus students' minds on what they need to know for the exam. Worked examples with examiners' hints ensure students are following the best practice and approach for answering questions successfully. Practice questions, including a test-yourself section that references the main textbooks, encourage independent revision. Written by a Senior Examining Team to make sure students get the most beneficial advice on tackling their exams. Revision exercises and an exam-style paper give essential preparation for the AQA exams.
