Bloomsbury Publishing PLC, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. An exemplary resource . . . The advice about translations is excellent, as are the pedagogical lessons and the comparative opportunities. This is an indispensable guide for researchers, and it would make a fantastic text for a graduate course. Summing Up: Essential. CHOICE The Bloomsbury Research Handbook of Chinese Philosophy Methodologies presents a new understanding of the changing methods used to study Chinese philosophy. By identifying the various different approaches and discussing the role, and significance of philosophical methods in the Chinese tradition, this collection identifies difficulties and exciting developments for scholars of Asian philosophy. Divided into four parts, the nature of Chinese philosophical thought is illuminated by discussing historical developments, current concerns and methodological challenges. Surveying recent methodological trends, this research companion explores and evaluates the methodologies that have been applied to Chinese philosophy. From these diverse angles, an international team of experts reflect on the considerations that enter their methodological choices and indicate new research directions. The Bloomsbury Research Handbook of Chinese Philosophy Methodologies is an important contribution to the education of the next generation of Chinese philosophers.
